

The Kantha Bopha Children's Hospitals Breaking All Records In 2012

Ambulant treatments of sick children in the outpatient stations:
776 625

Hospitalizations of severely sick children: **150 136 (25% more than
in 2011 !!)**

Surgical operations: **15 764**

Deliveries in the maternity: **16 974**

Endemics and Epidemics

Among the 150 136 hospitalized children **21 043** children were suffering from an **evident Tuberculosis**, **28 151** from a **severe Hemorrhagic Dengue Fever**.

Among the 150 136 hospitalized children thousands and thousands would have died month by month without this hospitalization.

All access to Kantha Bopha is free for all. All treatment is free for all, all medicines and drugs are free for all. Most of our patients are children from most poor families.

We thank for all donations and contributions, if small or big, from the bottom of our heart.
