

## **The Wonderful Kingdom of Princess Kantha Bopha**

In Switzerland I am known since 1972 as BEATOCELLO, as a music clown playing the cello and telling stories at the same time. I played for children and adults. Some stories were illustrated with simple drawings done by myself. So there were 12 books with drawings and a simple text. In 1982 I created the little Clown Silviolino playing the violin. My last book was published 29 years ago.

Now there is for the first time again a new little book. I presented it for the first time on 13<sup>th</sup> May 2014 on the occasion of the Gala by the National Circus KNIE in favor of the Kantha Bopha Hospital, in Zurich, Switzerland.

From 2<sup>nd</sup> June on the little book including a translation in Khmer can be bought for 10 USD at the entrance of the Hospital Kantha Bopha IV in Phnom Penh and Jayavarman VII in Siem Reap Angkor. All the 10 USD are a contribution to our foundation.
