**744** severely sick children suffering from hemorrhagic dengue fever had to be hospitalized

**6 920** children had to be operated by surgery (11.6% more than 2016)

Most families are poor, very poor. **That's why all treatment is free for all.**

The most severely sick children would not have chance without this hospitalization.

**No one of our staff takes money from the families.**

**No one staff is working outside in a private clinic.**

**Kantha Bopha Foundation Dr. Beat Richner since 1992**

**Kantha Bopha Hospitals -Phnom Penh and Siem Reap**
